Designing for Tablets: Digital Publishing
Effective Date: January 7, 2013

Bachelor of Science

All Campuses

Program Description:
The Bachelor’s Degree program in Designing for Tablets: Digital Publishing is an eleven-quarter, 180 credit program. The digital publishing degree program teaches students how to create aesthetic, functional, and creative digital communication media that engages targeted end-users in specific markets across a variety of hardware and software platforms. The program encourages students to explore the innovative use of emerging technologies in these areas through an emphasis on practical application. Students in the program use standard software for delivery across multiple devices. Upon completion of the program, graduates will be able to pursue career paths in user experience and user interface design, interactive design, and digital design.

The Designing for Tablets: Digital Publishing program at The Art Institutes is a program that will produce the creative professionals of tomorrow. Through a strong foundational emphasis in the fundamentals of design, the creation and manipulation of digital imagery, and the scripting and layout of unique content in a variety of mediums, students gain the essential components needed by contemporary design professionals.

Building upon that foundation, students will learn how to design and implement interactive content for use in a wide-range of environments, including digital publications, mobile application design, content design for tablets and other devices, digital media for business and entertainment purposes, interactive advertising design, and others. In addition, students will learn to apply creative solutions to unique consumer needs; build and address a project’s analytical needs; and focus content to specific brand and image strategies.

Program Objectives:

- Technical - Graduates will demonstrate, through a digital publication, a sound knowledge of interactive scripting, analytics, content management, and media content creation utilizing industry software
- Design - Graduates will demonstrate versatile aesthetic solutions of layout and design. This includes proper understanding and usage of composition, space, line, color, shape, texture, form and value. Typography and photographic hierarchy structures will also be considered
- Conceptual - Graduates will demonstrate proficiency in the conceptual thinking process through work that reflects current industry trends as well as emerging technologies
- Visual & Interactive Communication - Graduates will express a clear message to specific demographics using various interactive media
- Professional Presentation - Graduates will generate professional presentations by communicating their mastery knowledge of interactive design, problem solving, ethics, usability, analytics, and industry standards

Graduation Requirements
To receive a Bachelor of Science degree in Interior Design, students must: receive a passing grade or credit for all required coursework; earn a minimum of 180 quarter credits; achieve a cumulative GPA of 2.0 or higher; meet portfolio or other requirements as outlined by the program; and satisfy all financial
obligations to The Art Institute.
Course descriptions describe the learning opportunities that are provided through the classroom and coursework. It is each student's responsibility to participate in the activities that will lead to successfully meeting the learning outcomes.

Course Descriptions:

ADVA304  
Writing for Interactive Media  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
This course covers the process of copywriting for interactive media. Students explore the role of the writer as an individual or as a member of the creative team. Prerequisite: HU110 College English

ADVA407  
E-Commerce Strategies & Analytics  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
This course examines the principles of analytics, e-commerce and search engine optimization. Students will develop an understanding of how to set up and track analytic data, apply search engine optimization techniques and basic e-commerce strategies. Prerequisite: By Permission of Academic Director/Advisor

DGPA105  
Storyboarding for Interactive Media  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
This course will explore research, conceptualization, design, and storyboard production for linear and non-linear interactive media. Storyboarding techniques and terminology will be introduced. Prerequisite: FND105 Design Fundamentals

DGPA201  
Introduction to Cinematography & Sound Design  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
This course examines the components of audio, video, and still images for the purpose of media production. Students explore the equipment used to produce content. Prerequisite: FND135 Image Manipulation

DGPA203  
Intermediate Cinematography & Sound Design  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
This course analyzes the components of audio, video, and still images for the purpose of media production. Students apply production techniques used to produce interactive media content. Prerequisite: DGPA201 Introduction to Cinematography & Sound Design

DGPA204  
Intermediate Writing for Interactive Media  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
This course covers copywriting and copyediting for interactive media. Students explore the role of the writer as a member of the creative team including topics such as character development, dialog, humor, storytelling, concept development. Prerequisite: ADVA304 Writing for Interactive Media

DGPA208  
Interactive Industry & Business Operations  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
This course is structured to investigate the wide ranges of both traditional and emerging business topics and considerations, preparing students as they transition into an interactive media and design profession. Prerequisite: GWDA101 Applications and Industry

DGPA209  
Portfolio I  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
This course prepares students for the transition to the professional world. This course will prepare students for the industry by helping them compile a portfolio. Students will demonstrate their conceptual, design, craftsmanship, and other skills as they assemble and refine their portfolio projects. Working
individually with an instructor, each student will select representative projects showcasing work that reflects a unique style and developing them further as needed. Particular emphasis is placed on identifying short- and long-term professional employment goals, industry and professional related resources and portfolio development strategies. Prerequisite: Completion of prerequisite courses and permission of Academic Director/Advisor

DGPA302
Interactive Advertising Design
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
Students research interactive advertising as well as write and design dynamic content for targeted audiences. Prerequisite: ADVA304 Writing for Interactive Media

DGPA303
Advanced Cinematography & Sound Design
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
In this course students organize and construct media components utilizing creative production techniques. Prerequisite: DGPA203 Intermediate Cinematography & Sound Design

DGPA304
Advanced Writing for Interactive Media
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
This course covers copywriting and copyediting for interactive media. This course will explore the role of the writer as a member of the creative team including topics such as character development, dialog, humor, storytelling, concept development. Students also research current trends in writing for interactive media. Prerequisite: DGPA204 Intermediate Writing for Interactive Media

DGPA305
Visual Storytelling
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
Thematic Elective Track – Sequential Art
Students develop an overview of various creative concepts related to sequential art, illustration, and design including concept development, narrative, and visual storytelling to produce illustrated stories. Prerequisite: GWDA213 Timeline Animation & Interaction

DGPA307
Interactive Communication Planning & Research
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
This course covers real-world pre-production methods and research for interactive media. Emphasis is on content research, assessing client needs, pre-production assets, and planning of advanced interactive communication publications. Prerequisite: ADVA304 Writing for Interactive Media

DGPA313
Interactive Media Team
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
Students replicate the industry team environment to design, produce and, implement interactive media projects. Projects should merge production concepts and skills learned to date and employ interactive business models and analytics. Prerequisite: By Permission of Academic Director/Advisor

DGPA314
Interactive Journalism
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
Thematic Elective Track – Journalism
Students research interactive journalism as well as write and design dynamic content for a variety of journalistic media. Prerequisite: DGPA304 Advanced Writing for Interactive Media
DGPA317
Interactive Communication Usability & Prototyping
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
Students design, prototype, and analyze effectiveness and usability of interactive projects. Prerequisite: GWDA307 Interactive Communication Planning & Research

DGPA323
Advanced Interactive Motion Graphics
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
Thematic Elective Track – Animation
This is an advanced level course focusing on motion graphics as an interactive design solution. Prerequisite: GWDA303 Advanced Cinematography & Sound Design

DGPA403
Interactive Communication Development & Delivery
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
Students individually develop, market, and present an advanced interactive digital publication. Prerequisite: DGPA317 Interactive Communication Usability & Prototyping

DGPA404
Introduction to Copyediting
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
Thematic Elective Track – Journalism
Students will focus on the process and techniques of professional copyediting. Prerequisite: DGPA304 Advanced Writing for Interactive Media

DGPA405
Branding & Content Strategies
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
This course examines the principles of corporate branding. Students will work within structured brand guidelines to develop strategies that will produce marketable content. Prerequisite: DGPA204 Intermediate Writing for Interactive Media

DGPA406
Internship
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
Thematic Elective Track – Development
Thematic Elective Track – Animation
Thematic Elective Track – Sequential Art
Thematic Elective Track – Journalism
Through a field internship experience, students will be able to apply their skills in a real and practical situation. The main objectives of the internship are to allow students the opportunity to observe and participate in the operation of successful businesses related to their fields of study. The students will gain the experience they need to enter the field when they graduate. Prerequisite: By Permission of Academic Director/Advisor

DGPA409
Portfolio II
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
This course aims to prepare students for entry-level employment within the industry by assisting them with the development and presentation of a digital publishing portfolio that reflects the stated exit competencies. Students will demonstrate an advanced skill-set in areas as process, conceptual thinking, design, web design, craftsmanship, and other skills, as projects are refined and assembled into a cohesive, comprehensive body of work. Particular emphasis will be placed on identifying short- and long-term professional employment goals, industry and professional related resources and standards, portfolio development and presentation strategies. Prerequisite: By Permission of Academic Director/Advisor
DGPA413
Mobile Media Animation
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
Thematic Elective Track – Animation
Students learn about the unique requirements for animating for mobile devices. Production methods for creating animated content that can be viewed on a range of mobile devices are taught. Prerequisite: None

DGPA415
Intermediate Visual Storytelling
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
Thematic Elective Track – Sequential Art
Students develop sequential art, illustration, and design skills for storytelling. Prerequisite: DGPA305 Visual Storytelling

DGPA425
Advanced Visual Storytelling
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
Thematic Elective Track – Sequential Art
Students develop a creative narrative project utilizing sequential art, illustration, design and time-based digital publishing techniques. Topics include digital comics, digital storybooks and other visual narrative media. Prerequisite: DGPA415 Intermediate Visual Storytelling

FND105
Design Fundamentals
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
This introductory course will explore the principles of design, and introduce and develop the creative process. Design elements and relationships will be identified and employed to establish a basis for aesthetic sensitivity and critical analysis. Design will be presented as a tool of communication. Prerequisite: None

FND110
Observational Drawing
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
This course involves the observation and translation of three-dimensional form into two-dimensional drawings. Starting with simple shapes and progressing to more complex organic forms, students will build skill levels in composition, line quality, through the use of tone light and shadow. Prerequisite: None

FND135
Image Manipulation
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
In this introduction to raster-based digital image manipulation, students become acquainted with the concepts, hardware, and software, related to digital image acquisition, image editing, manipulation, color management basics, masking, layering, retouching, scanning and output. Prerequisite: None

FND150
Digital Color Theory
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
This course is an introduction to the principles of color and an exploration of color theory as it relates to media. Prerequisite: None

GWDA101
Applications & Industry
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
This course covers web design and graphic design applications, tools, and industry practices. Students learn file management practices, basics of markup language and styling. They are introduced to
illustration and image manipulation software relevant to the web design and graphic design industries.  
Prerequisite: None

GWDA103  
Digital Illustration  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
This course advances the students understanding of the computer as an artist tool. Building on previous courses in drawing, concept development and introductory computer-aided design; students will be asked to generate a number of expressive solutions that address specific illustrative problems, both technical and creative. As part of this course, students will be given the opportunity to develop their digital illustration skills by exploring numerous tools and techniques to obtain desired results.  
Prerequisite: None

GWDA105  
Concept Design  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
This course will emphasize the conceptualization process of design and its function in solving given problems. The student will use creative problem solving and research techniques, specifically: problem identification, analysis, brainstorming and idea refinement.  
Prerequisite: GWDA111 Introduction to Layout Design

GWDA111  
Introduction to Layout Design  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
This class will concentrate on utilizing design principles and theories in problem solving, focusing on the importance of layout composition. Emphasis will be on the process of design development from thumbnails to comprehensives, layout, and the use of grid systems for multi-component layouts.  
Prerequisite: FND135 Image Manipulation

GWDA112  
Typography–Traditional  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
This course is an introduction of lettering skills and the history and foundation of letterforms. The placement of display and text type in a formatted space, and the relationship between the appearance and readability of letterforms, are also studied. Students will work in a traditional context of hand-rendering type and also be introduced to contemporary typesetting technology.  
Prerequisite: None

GWDA113  
Fundamentals of Web Page Scripting GWDA113  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
Design, develop, and upload a simple web site using HTML and basic CSS. Web site production concepts such as naming conventions, file organization, and optimization are also covered.  
Prerequisite: None

GWDA202  
Interface Design  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
This course is an exploration of the synthesis of visual and information design principles. In this course students examine the conceptual and practical design of interfaces.  
Prerequisite: GWDA111 Introduction to Layout Design

GWDA213  
Timeline Animation & Interaction  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
Students use timeline animation in the development of interactive interfaces and experiences. Topics include concept development and storyboarding.  
Prerequisite: FND135 Image Manipulation
GWDA132  
**Information Architecture**  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
This course is an examination of content structures, navigation paths, and asset organization.  
*Prerequisite: GWDA101 Applications and Industry*

GWDA222  
**Intermediate Layout Design**  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
This advanced layout course enhances and reflects skills developed in fundamental design courses. Critical analysis will be applied through the usage of type and layout to create clear, communicative design. Portfolio-quality projects will be developed as part of this process.  
*Prerequisite: GWDA111 Introduction to Layout Design*

GWDA223  
**Intermediate Web Page Scripting**  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
This course is an exploration of methods for styling websites and creating various page layouts. Students examine the practical application of styling web page content.  
*Prerequisite: GWDA113 Fundamentals of Web Page Scripting*

GWDA243  
**Object Oriented Scripting**  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
Students combine experience design concepts with advanced programming solutions. Emphasis placed on learning object-oriented approaches to developing dynamic/reusable rich media modules combined with data applications.  
*Prerequisite: GWDA113 Fundamentals of Web Page Scripting*

GWDA303  
**Interactive Motion Graphics**  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
This course is an introduction to the narrative structure in a time based environment.  
*Prerequisite: GDWA213 Timeline Animation & Interaction*

GWDA313  
**Emerging Technology**  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
This course is an examination of concepts and methodologies used in emerging technology and an in-depth focus on current emerging technology.  
*Prerequisite: GDWA213 Timeline Animation & Interaction*

GWDA353  
**Server-Side Scripting**  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
*Thematic Elective Track – Development*  
This course covers dynamic web pages through server-side scripting language. Emphasis is placed on forms and content management.  
*Prerequisite: GWDA223 Intermediate Web page Scripting*

GWDA363  
**Client-Side Scripting**  
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)  
*Thematic Elective Track – Development*  
This course covers client-side scripting as a method to develop advanced dynamic web applications.  
*Prerequisite: GWDA243 Object Oriented Scripting*
GWDA372
Content Management Strategies
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
Examine the use of content management systems for organizing, managing, and sharing content.
Prerequisite: GWDA243 Object Oriented Scripting

GWDA373
Advanced Server-Side Scripting
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
Thematic Elective Track – Development
This course covers advanced server-side scripting skills and CMS utilization. Prerequisite: GWDA353
Client-Side Scripting

GWDA432
Digital Typography
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
This course is an examination of typographic structures for visual communication. Prerequisite: None

MA2204
3D Animation
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
Thematic Elective Track – Animation
Students are introduced to basic 3D animation techniques. Topics to be covered include hierarchical
linking, keyframing, function curves, animated modifiers, basic morphing, animated cameras, and an
introduction to character animation. Prerequisite: By Permission of Academic Director/Advisor

PHOA105
Photojournalism
3 Quarter Credits (22 Hrs Lecture/22 Hrs Lab)
Thematic Elective Track – Journalism
This course addresses the photography as a narrative or illustrative medium used in support of the text
content of publications. Students are shown examples of photojournalism and will be required to produce
their own renditions. Prerequisite: None

1. Tuition per quarter based on 16 credits for Associate and Bachelor programs and 12 credits for Diploma programs.
2. Application and Administrative/Enrollment Fees are paid by new and transfer students only. The $50 application fee is non-refundable.
3. Culinary lab courses and specific Bachelor level courses are charged a lab fee of $105 for a 3 credit course or $210 for a 6 credit course. The cost per quarter depends on actual courses in which student is enrolled. The Culinary lab fee will be treated as part of the tuition for refund purposes.
4. The digital resource fee includes the cost of the digital textbook as well as other digital resources which are integrated into the course and vary by program. The fee includes all applicable taxes. This estimated fee assumes all courses require a digital resource; however currently not all courses use digital resources. Courses that include digital resources will be noted in the registration material and the fee will be charged automatically in addition to tuition. If a course does not use digital resources, the student remains responsible for purchasing the required text and materials. The digital resource fee is $50 per course.
5. Annual tuition costs are based on an academic year of three quarters and an average of 12 credits per quarter for Diploma programs and 16 credits for Associate, Bachelor, and Masters programs.
6. Not including starting kit. Total tuition cost based on 90 credit units for Associate degree program, 180 credit units for Bachelor degree programs, and 90 credit units for Masters program. Diploma programs based on 47/48/55 credit units/12 credits per quarter. A separate financial plan exists, which complies with the Truth in Lending Regulation Z, and is part of the Student’s Enrollment Agreement.

*Each school quarter is typically 11 weeks.*
