Histotechnology and Medical Laboratory Technology:

Applicants must be registered to start classes on 9/4/14 and complete a minimum of 12 credits per semester, as well as meet the criteria below:

- Must possess a Bachelors degree, Associates degree, **or** Diploma from a Natural Science program or from within the medical field
- Must maintain a minimum 3.0 cumulative GPA
- Must have a completed Memo of Understanding form on file, in addition to documentation regarding eligibility for scholarship

***The only exception to the 12 credit policy is if courses are unavailable or limited**

HEALTH SCIENCE SCHOLARSHIP – PACKAGING OVERVIEW

- Scholarship will be packaged up front upon enrollment if student meets initial eligibility requirements
 - Funds will be placed in an estimated status, until student meets all eligibility criteria
- Student Financial Services will indicate in the packaging activity:
 - Name of Scholarship
 - % of scholarship award
 - Number of credits in AY
- If student has already been packaged (i.e. via file review redesign), and we need to add this scholarship to an already existing package, Student Financial Services needs to send an NFR activity to CFA:
 - FA –Non Title IV Funds request and assign to CSFA-Non Federal Resources, information above would need to be included in activity
- If student has not yet been packaged, and we have identified that this student meets initial eligibility criteria, Student Financial Services needs to send a post-cert activity to CFA:
 - FA –Non Title IV Funds request and assign to CSFA-Non Federal Resources, information above would need to be included in activity
- If student fails to meet eligibility criteria:
 - Scholarship will need to be removed immediately after a student drops below 12 credits (unless it is due to course offerings and limitations) or falls below the 3.0 cumulative GPA requirement
 - SFS will need to send FA –Non Title IV Funds request and assign to CSFA-Non Federal Resources, and request to remove award due to not meeting eligibility criteria
