*** Lab Fee per quarter includes the $300 per credit hour fee. The Culinary Arts fee is part of the tuition and fees charged to students.

**** Total tuition for program will increase with each per credit hour tuition increase. The total tuition charge for the program will be calculated using the new rate. Any changes to tuition and fees will be published to students.

The optional starting fee is comprised of some of the basic equipment, first-semester textbooks, and materials required for the first quarter of each program.

First quarter tuition and fees for new students due 60 days prior to entry. Thereafter, quarterly tuition for each succeeding quarter is due upon registration, approximately two weeks prior to the end of each academic quarter. Students may not register for any academic quarter unless all tuition and other fees for the quarter have been paid. On or before the due date, a late charge of $50 is assessed on all accounts. Thereafter, quarterly tuition for each succeeding quarter is due upon registration, approximately two weeks prior to the end of each academic quarter. Students may not register for any academic quarter unless all tuition and other fees for the quarter have been paid. An $100 fee will be assessed for students who fail to pay their tuition and fees in full in order to move on to the next quarter, and an additional fee of $50 will be assessed for students who fail to pay their tuition and fees in full in order to move on to the next quarter.

Tuition is charged on a quarter-by-quarter basis. Students are not obligated beyond the quarter they are currently attending.
